Covid Reinduction for School Staffs Webinar - 24th August 12pm – 1pm

Optima Training are delighted to be welcoming you to join our **Covid Reinduction for School Staff** Live Webinar. This short session will update all staff working within schools on the key aspects of Covid and what the critical considerations are for Employees.

The course will focus on Employer & Employee Rights and Responsibilities and will communicate the practical steps required of the entire school in responding to and working in the new Covid Landscape.

It will also highlight the importance of the Shared Responsibility between Employer and Employees as set out in the Return to Work Protocols.

Please register by clicking on the *Link* below.

You will need a laptop/PC/Tablet or Mobile Phone and a pair of headphones/earphones is recommended for the session.

On Registration – you will receive a Confirmation Email with joining instructions – you can log on 10 minutes before the session is due to start.

(Check your Junk/Spam folder if this doesn't arrive but even if it doesn't – once registered – you will get a reminder email prior to the event and you can access the Live event from that.

Please test the sound on your device prior to the session. You will not need to activate your webcam.

The session will be recorded and a link to the recording made available to you.

If you have any issues - feel free to reply to the webinar system email address.
